

EXPERIENCE & PROJECTS

- Critical Design Instructional Apprentice

Dr. Lilly Irani

DECEMBER 2015 - PRESENT

Contribute to course planning and provide guidance to students on their design projects for Professor Irani's "Critical Design" course.
- UX & UI Designer

CodeSketch

SEPTEMBER 2015 - PRESENT

Conduct user interviews and competitive analysis to create user personas and storyboards. Perform user-based testing and critical incident identification with wireframe paper prototypes. Deliver Axure high fidelity prototypes and HTML, CSS, & JavaScript mockups.
- Design Programming Chair

Design.UCSD

APRIL 2015 - PRESENT

Lead workshops teaching Illustrator, storyboarding, and brainstorming for this pre-professional design organization. Help with club publicity and events.
- UX & UI Designer

4 Year Planner

MARCH 2015 - JUNE 2015

Combined user interviews, competitive analysis, and quantitative survey data to guide needfinding. Iterated through multiple medium fidelity prototypes with Sketch + InVision. Performed qualitative observational usability testing.
- Visual Designer and Event Coordinator

UCSD Events

MARCH 2015 - MAY 2015

Created unity between event materials under a single brand style for an event hosting a celebrity from the show "Big Bang Theory". Assisted with event logistical planning.
- Research Assistant

Dr. McKenzie's Decision Making Lab

SEPTEMBER 2014 - DECEMBER 2015

Learned how to better conduct participant-based research. Contributed to lab meetings, ran participants through studies, and entered data.
- College Ambassador

UCSD Office of Admissions

SEPTEMBER 2013 - PRESENT

Lead tours of UCSD to prospective students with enthusiasm! Present engaging content and provide excellent customer service at front desk to create an enjoyable guest experience. Review job applications.
